PMD part number:

PCIDK3xxxCPx.xIOXx.x.X.R*
Pilot PCI Developer's Kit

PMD's knowledge of materials content, including packing & shipping material, is based on a thorough evaluation of 3rd party data provided to us. Regarding the EU Directive 2004/12/EC concerning Packaging and Packaging Waste, PMD's packaging materials (boxes, trays, etc) comply with the directive's requirement that the total concentration of the 4 heavy metals (cadmium, hexavalent chromium, lead and mercury) must not exceed 100 ppm.

For detailed material composition, please refer to the HazMat datasheet available at (http://www.pmdcorp.com/rohs/parts_list)
